Note - Under 8s: A standalone U8's division doesn't exist. U8 rep teams are required to play up in the U10 division, which is a significant step up and, in some cases, results in games being one sided. Dubbo Touch is committed to our U8 rep program and sees strong benefits in players commencing basic rep skills development at a younger age, given significant improvements achieved by our U10's teams who both finished 13th at the 2024 NSW Touch Junior State Cup and then in the top 3 in 2025.
