Purpose of Policy

Provide a structure for Dubbo Touch Association (DTA) to offer a fair system for financial support to all committee members of the club (this includes both playing and non-playing senior and junior members) and encourage broad participation in activities relating to the running of the Committee and Association.

This policy can be adopted either as an alternative to the policy surrounding Representative Financial support, or used in conjunction with.

Description

DTA would like to offer a reasonable and fair procedure for financial assistance. All committee individuals are eligible for a maximum one off payment of 100 credit points in a serving year. 1 credit point represents \$1.00. Points may be nominated by committee members as follows:-

1. In accordance with the DTA Representative Support Policy;
2. Payment of player fees;
3. Payment of DTA merchandise.

Guidelines

- Members can be a member of either the senior or junior DTA committees.
- DTA Committee members shall nominate/elect the use of their points prior to 1 August each year (ie prior to the AGM and possible fresh election). Any nominations should be made in writing (via email or letter) addressed to the DTA Secretary.
- If no election is provided by the due date, there is a presumption that the committee member is electing to utilise their payments as part of the DTA Representative Financial Support policy or waiving their right to the payment.
- The Secretary is to maintain an up to date record of any player or official using the credit points. Changes to this record are to be tabled and presented at the penultimate meeting to the DTA AGM each year.
